

Truly natural wool mattresses, bedding & décor

One of a kind. Handcrafted to fit.

At the core of each Home of Wool creation is pure wool, free of chemicals and synthetics, hugged in all-natural textiles of wool, linen, cotton, mulberry silk and hemp.

At Home of Wool we handcraft bespoke mattresses, bedding and home décor with honest care for your health and the planet. Blending centuries-old traditions and modern technologies, we achieve unparalleled quality and unique comfort.

In our workshop in Sofia, Bulgaria, the hands of our skillful artisans transform your personal requirements for shape, size, and details, into one of a kind pieces that will stand the test of time.

The core of our creations

Wool

GOTS
Certified

It all comes down to the filling. Rooted in centuries-old Bulgarian traditions and backed by the newest scientific research, the benefits of all-natural pure wool are embodied into each Home of Wool Piece.

Natural wool equals comfort and health. The Oeko-Tex and GOTS certificates guarantee the natural origin and the absence of chemicals in all our materials.

Why wool

All-Natural and
Eco-friendly

Hypoallergenic

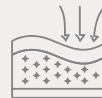

Regulates Moisture

Regulates Temperature

Supports Healthy Sleep Pos-
ture

Isolates Movement
from Your Partner

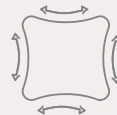

Diminishes Body Odor

Extremely Breathable

Dust Mite and Mildew
Resistant, Antimicrobial
& Anti-bacterial

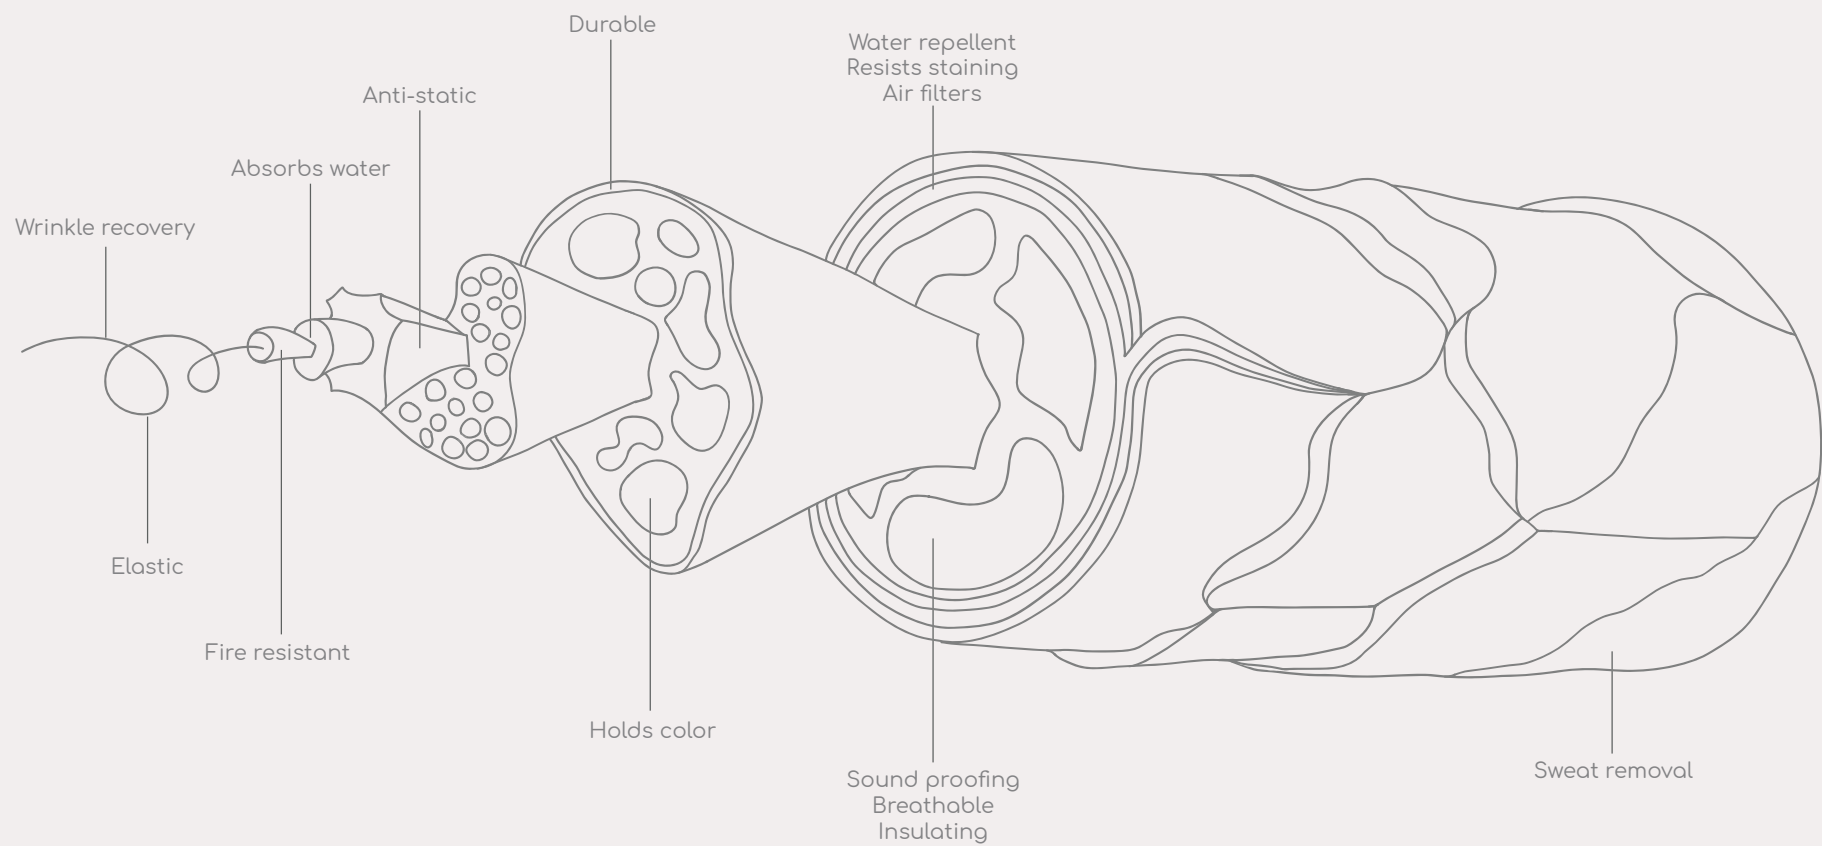

Super Durable

Flame Resistant

VOCs
free

Zero Emission of Volatile
Organic Compounds
(VOCs)

Wool mattresses

One of a kind handmade wool mattresses for the healthiest and most restorative sleep. Lay on the lavish amounts of pristine wool to experience unparalleled comfort. The springy wool fibers support your body and promote healthy posture. Upgrade your sleep with heat and moisture regulation unlike any other material, keeping you cool in the summer or warm in the winter, allowing you to sleep longer and more restful. Experience uninterrupted sleep with complete motion isolation between the partners. Encased in luxurious organic cotton, wool, and linen fabrics.

Completely chemical-free, with no off-gassing and zero VOCs. Hypoallergenic and suitable for people with chemical sensitivities, including MSC. Naturally dust mite and mildew resistant, anti-microbial, anti-bacterial and flame-resistant wool filling for the purest sleep environment. Naturally increased fire safety in your home without flame retardants. 100% biodegradable, using only sustainable renewable materials, with care for our planet.
